We acknowledge the following organisations for this quarterly data contribution and their ongoing commitment to prevent, reduce and end homelessness in Brisbane:

- 3rd Space
- Anglicare SEQ
- ATSICHS Brisbane

- Community - HART4000
- IUIH
- Micah Projects

- Mission Australia
- The Salvation Army
- Youth Housing Project

*The **Know By-Name List** helps us to identify every person sleeping rough (on the streets, in parks, tents, cars) or in temporary accommodation in Brisbane, their needs and the support services required.

The **VI-SPDAT is a voluntary screening tool based on people's disclosed information and it is used to provide appropriate housing, healthcare, and community services according to people needs.

Note: This infographic includes all participants regardless of rough sleeping history.
